too difficult for me, but i like that idea. Abstract golf, which seemed to me difficult, upsets the moments when you fall, until you have received any points, I will try again later. fell down after getting first achive so haaard. very captivating storyline. ending was spot on. the plot twist got me good. theres more point in my life that playing this game. idk why i bought it.. nice

geometric game, where you need to throw the ball higher and higher, unfortunately there was not enough patience to get even one achievement. very captivating storyline. ending was spot on. the plot twist got me good. theres more point in my life that playing this game. idk why i bought it.
